

Our Mission:

Repairing Homes. Revitalizing Communities. Rebuilding Lives.

Rebuilding Together San Gabriel Valley Foothills Volunteer Wellness Policy Guidelines

Rebuilding Together San Gabriel Valley Foothills (RTSGVF) prioritizes the health and safety of homeowners, contractors, volunteers, and staff. With the spread of the Coronavirus or "COVID-19," we all must remain vigilant in mitigating the outbreak and protecting one another.

In order to be safe and maintain operations, we have developed the wellness policies outlined below to be implemented throughout the organization, including all of our work sites. RTSGVF has also developed COVID-19 Exposure Prevention Policies for Contractors, which are available upon request. RTSGVF will seek to follow all applicable and relevant government recommendations and may update the above policies at any time.

I understand that I will need to sign and return a copy of this notice in order to perform volunteer activities for RTSGVF. In addition, please note:

- RTSGVF will suspend all home repair activities unless the homeowners have given express written consent for those activities to continue.
- Homeowners authorizing home repairs are releasing RTSGVF, its contractors, its directors, and officers from any liability or claims that may arise from exposure to pathogens due to home repair activities.
- Volunteers will notify RTSGVF immediately if they or any other resident at their home has tested positive or has been in contact with someone that tested positive for COVID-19.
- RTSGVF staff and contractors will try to avoid physical contact with homeowners to the maximum extent possible.
 - Conversations with homeowners will be limited to electronic or phone conversations if at all possible.
 - Homeowners agree to stay six feet away from any RTSGVF representatives (volunteers, staff or contractors) performing repairs on the home, in a separate room where repairs being made when possible.
 - If possible, homeowners agree to wear a face mask when RTSGVF representatives are on site. If homeowners do not have a mask RTSGVF will provide.
 - Volunteers agree to use the provided porta potty and hand sinks and not the homeowners' facilities
 - Volunteer agrees to wear gloves and face masks at all time when on the homeowners' property
 - Volunteers agrees to check in with volunteer coordinator before beginning work and have temperature checked. If temperature is normal, the volunteer may begin work as long as the other requirements are met. If temperature is elevated volunteer will be sent away and this will be reported to the House Captain immediately.
 - Volunteers agree to sanitize all tools after use at sanitation area provided and only use sanitized tools.
